

The California 6.1 Brochure

Commercial
Vehicles

Free at last. The California 6.1.

The original.

The California – on the market for more than 30 years and continuously improved. One of the most popular and successful camper vans of its kind, winning Camper Van of the Year 2019¹.

Enhanced exterior design.

A completely new front design features a reshaped front grille, restyled front bumper as well as LED headlights² with LED tail lights, new alloy wheels and colour options.

Versatile.

Thanks to its compact exterior dimensions and vehicle height of 1,990mm³, the California 6.1 is a practical day-to-day vehicle, leisure bus and camper van all in one, suitable for cities and most car parks. The California comes as standard with 4 seats – not enough to fit the family? Then a fifth seat can also be ordered.

Optimum off-road capability.

Optional 4MOTION all-wheel drive^{4,5}, dual clutch gearbox DSG, Hill Descent Assist⁶, Hill Start Assist and mechanical differential lock⁶ provide impressive off-road mobility.

¹ Source: promobil, category 'Compact Camper van', last award 03/2019. ² Standard on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast. ³ Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances. ⁴ Optional at extra cost. ⁵ Not available for all engines. ⁶ Only in conjunction with the 4MOTION all-wheel drive.

Design	Interior	Comfort & flexibility	Assistance systems	Equipment	California 6.1 Coast	California 6.1 Ocean	Infotainment & connectivity	Paint, upholstery & interior colours	Wheels	Canvas bellows	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
--------	----------	-----------------------	--------------------	-----------	----------------------	----------------------	-----------------------------	--------------------------------------	--------	----------------	-----------------------	------------	-----------------	--

State-of-the-art driver assistance systems.

The California 6.1 features a range of driver assistance systems more usually found on passenger vehicles, including Traffic Sign Recognition^{1,2}, Side protection^{2,3,4}, Crosswind Assist², Active Lane Assist^{1,2,5}, Park Assist^{2,3}, Rear Traffic Alert^{1,2} and Trailer Assist^{1,2}.

Integrated accessories.

The camping table, camping chairs and opaque window shades are neatly stowed away behind the sliding doors and tailgate, saving space when not in use.

Proven quality.

As you'd expect, the California 6.1 is durable, versatile and built to last, with a highly stable body, quality materials and time-honoured workmanship.

1 Optional at extra cost. 2 Within the system's thresholds. 3 Standard on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Maximum comfort.
Total freedom.

New interior design.

The redesigned dashboard features contemporary black gloss surrounds and stylish decorative trims, along with fresh new seat upholstery, kitchen units, aluminium door handles, sliding cupboard doors and LED interior lighting are all fitted as standard.

Outstanding comfort.

The cabin offers excellent acoustic and thermal insulation, with ergonomic seats finished in robust premium upholstery. A new darker canvas and bed with a softer spring system further enhance sleep quality in the roof section, whilst the lounge doubles as a bed extension with the option of a comfort mattress overlay¹.

Perfectly networked.

The California 6.1 is available to order with the Digital Cockpit² which features a high-resolution 10.25 inch display. The vehicle also features the latest touch-screen radio and navigation systems² with integrated eSIM, App-Connect, We Connect³ mobile online services and Bluetooth[®], ensuring you stay informed while you travel.

Adaptable interior.

The folding bench seat in the living area can be secured at any position on the sliding floor-mounted rail system, along with swivelling front seats, providing a highly flexible and adaptable interior.

¹ Optional at extra cost. ² Standard on the California 6.1 Ocean. Optional at extra cost on California 6.1 Coast. ³ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com and can use services free during this time.

Park Assist.^{1,2} NEW

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Trailer Assist.^{1,3} NEW

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

Side protection.^{1,2,4} NEW

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist.¹ NEW

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

Traffic Sign Recognition.^{1,3} NEW

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation systems.

Active Lane Assist.^{1,3,5}

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Off on holiday in a relaxed manner. Ten driver assistance systems that you just have to have.

1 Within the system's thresholds. 2 Standard equipment on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast. 3 Optional at extra cost. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. 6 Only available in conjunction with 4MOTION all-wheel drive. 7 Not available for all engines.

Rear Traffic Alert.^{1,3} **NEW**

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

Tyre pressure monitoring system.^{1,3}

Displays the current pressure for every tyre and warns of deviations from the set pressure.

Adaptive Cruise Control (ACC).¹

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Hill Descent Assist.^{1,2,4}

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

Pure driving pleasure On any terrain.

A choice of three engine and gearbox combinations ensures optimum performance and driving pleasure. 4MOTION all-wheel drive^{3,5} provides exceptional traction on virtually any surface, while the dual clutch gearbox DSG significantly enhances driving comfort with its smooth gear changes.

Dual clutch gearbox DSG. The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

Dynamic Chassis Control (DCC).³ Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, the system adjusts the damping, enabling you to adapt your California 6.1 to suit the road and your driving style.

4MOTION all-wheel drive.^{3,5} 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

Mechanical differential lock.^{3,4} The mechanical differential lock is available as an option for the rear axle, providing additional support to the 4MOTION all-wheel drive^{3,5} making it easier to pull away in difficult off-road conditions and making the California 6.1 one of the most effective all-terrain vehicles in its class.

1 Within the system's thresholds. 2 Optional at extra cost on the California 6.1 Ocean. 3 Optional at extra cost. 4-Only available in conjunction with 4MOTION all-wheel drive. 5 Not available for all engines.

My California My life.

The decision for a California 6.1 is always a decision for more freedom. For the freedom to follow one's heart alone and to consistently go one's own way. This also applies to the equipment. The extensive standard equipment can be tailored precisely to your individual needs with many other extras.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Design	Interior	Comfort & flexibility	Assistance systems	Equipment	California 6.1 Coast	California 6.1 Ocean	Infotainment & connectivity	Paint, upholstery & interior colours	Wheels	Canvas bellows	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties

The washing-up bowl can be removed and used outside.

Perfectly equipped for every journey.

One thing is for sure: a holiday in the great outdoors makes you hungry. That is why the California 6.1 is equipped with a fully functional kitchen where you can prepare something fresh at any time. However, self-sufficient people will find many other features that make life in the wilderness easier. For example, a 30 litre fresh water tank, a 42 litre compressor cool box and two maintenance-free leisure batteries. Many things can also simply be done outside. This is possible with the sturdy aluminium camping set, the removable washing-up bowl and the outside shower¹. So nothing stands in the way of a meal in the open air.

Comfort in a small space.

The dimmable LED background lighting bathes the interior in warm, atmospheric light.

Things are best in your own home. Especially if you can take your home with you to the most remote destinations. The California 6.1 gives families this boundless freedom. In the morning the children wake up in their own loft bed with a clear view to the horizon. In the afternoon, parents can relax in the lounge area of their living room. And in the evening, everyone can end the day together in the private kitchen with pleasantly dimmed LED background lighting before setting off for the next location the next morning. This way the family can experience new things everyday. And yet can always feel at home.

The panorama window¹ in the elevating roof opens with a zip.

Make relaxing in the California 6.1 your favourite place.

¹ Standard equipment on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Design	Interior	Comfort & flexibility	Assistance systems	Equipment	California 6.1 Coast	California 6.1 Ocean	Infotainment & connectivity	Paint, upholstery & interior colours	Wheels	Canvas bellows	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
--------	----------	-----------------------	--------------------	------------------	----------------------	----------------------	-----------------------------	--------------------------------------	--------	----------------	-----------------------	------------	-----------------	--

The kitchen looks great too. The new kitchen design in the California 6.1

In the California 6.1 you can expect a fully functional kitchenette in a new design. An extremely lightweight, yet highly stable aluminium composite forms the basis. The surface décors in the California Coast have a light wood look and in the California Ocean an elegant slate look. The basic equipment includes a 42 litre compressor cool box, a large base cabinet, a flexible worktop and three eye-level stowage compartments in addition to the stainless steel sink/stove kitchen unit. So nothing stands in the way of a three course menu.

Stowage compartments. A movable blackout module with three stowage compartments is integrated into the narrow window above the compressor cool box. They are ideal for storing herbs and spices. If the stowage compartments are pushed to the rear, the window provides a view to outside.

Kitchen base cabinet. It is accessible via two sliding doors and can also be opened when the bed is set-up. It contains an extendable cutlery tray and the frost-protected 30 litre waste water tank in the rear area.

Sink/stove kitchen unit. Below the two-part safety glass cover, there is a two burner gas cooker (maximum 1,800W) with convenient piezo ignition on the left and a stainless steel sink with a removable washing-up bowl on the right.

Flexible worktop. It can be moved in a rail and can either be set up using a fold-out leg, fixed to the headrest of the rear bench seat with the rubber strap supplied, or simply folded away.

42 litre compressor cool box. The 42 litre chest with clip-on basket, which is easily accessible from above, is cooled by the integrated compressor. Thanks to good insulation and an additional battery, the drinks remain refreshingly cool even during the journey.

Rear cupboard. This is where all the important components for electricity, water and gas supply are located: the residual current circuit breaker, the fresh water tank with recess in which a 2.8kg Campingaz natural gas fuel tank¹ fits, and the fresh water drain lever.

¹ Optional at extra cost. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Cosier than ever. The new living and sleeping comfort in the California 6.1

Shades in the cockpit. The front windscreen can be blacked out by two roller blinds and the side windows by magnetic curtains.

Shades in the living room. The integrated roller blinds can be pulled down in guide rails and ensure that the windows are screened on all sides. Their reflective aluminium coating on the outside provides additional protection against heat.

Wardrobe. In the rear section there is a two-part built-in wardrobe with mirror, clothes rail and lockable safe¹. Its redesigned doors are easy to open and close.

Fully sprung loft bed. The flexible springs adapt precisely to the sleeping person and improve sleeping comfort (approximately 2,000 x 1,200mm).

Roof storage compartment. A fold-down storage compartment is fitted above the backrest of the bench seat. It has a capacity of approximately 45 litres and can also be opened while sitting or lying down.

Drawer under the two-seater bench seat. All kinds of small and medium-sized travel items such as pillows and blankets can be stowed away in the approximately 60 litre drawer.

You can spend the most beautiful days of the year in the California 6.1 – and the nights too. The new sprung base of the bed on the first floor, help to further enhance sleep quality. In the lower area, the double bed features a lounge function for the first time. The headrest can be raised in several steps and fixed in the your preferred position.

¹ Optional at extra cost. Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

A question of type. The equipment lines compared.

For the discerning. California 6.1 Ocean.

In the California 6.1 Ocean you can expect the best a camper van can offer: maximum relaxation. Dark slate design in the living room, atmospheric background lighting and an electro-hydraulic elevating roof with panorama opening make every journey a dream holiday. LED headlights with separate LED daytime running lights also enhance the exterior design.

For globetrotters. California 6.1 Coast.

The California 6.1 Coast is the ideal base camp for everyone who is drawn to the great outdoors. Robust and hard-wearing on the outside, it offers everything on the inside for you to be as self-sufficient as possible – including a fully functional kitchen, a large fresh water tank and plenty of stowage space.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Everything tastes best when on the road. **Cooking** in the California 6.1 Coast.

Nature calls. And more and more people are seeking her. Road trips on romantic wild cliffs, hidden mountain lakes or centuries-old cultural landscapes are in fashion. If you are looking for an even more authentic experience, you can source regional products for your meals and prepare them yourself. Best of all in the California, for example in the California 6.1 Coast.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Standard equipment highlights of the California 6.1 Coast.

Wheels

- 16 inch 'Clayton' alloy wheels in Silver
- 215/65 R16 tyres with low rolling resistance
- Lockable wheel bolts
- Steel spare wheel with original equipment tyre
- Tool kit and jack

Design

- Body-coloured door mirror housings and handles, front and rear bumpers
- 'California' badge on the front wing and on the rear
- Electrically heated, adjustable and folding door mirrors via vehicle key
- H7 twin halogen headlights
- Manually operated pop-up roof, with two side windows, canvas in Basalt Grey **NEW**
- Mounting rails on the roof (preparation for movable roof rack)
- Radiator grille with two chrome trims **NEW**
- Red LED tail lights
- Tailgate with window aperture and power latching **NEW**

Cockpit

- Armrests for both cab seats
- Comfort dashboard with chrome elements and bezels finished in Black
- Decorative inserts in Bright Brushed Grey **NEW**
- Grab handles on A-pillar for access, on driver and front passenger side
- Illuminated glovebox
- Illuminated dash instruments, dimmable
- Illuminated sun visors with airbag label on front passenger's sun visor
- Leather trimmed multi-function steering wheel
- Lumbar supports for driver and front passenger seats (both manually adjustable)
- 'Mixed Dots' cloth seat upholstery **NEW**
- Multi-function display 'Premium' with colour display
- One waste bin in door storage compartment of the cab
- Soft-folding grab handles on roof frame
- Swivel seats for driver and front passenger (without height-adjustment)
- Velour non-woven floor covering in cab

Infotainment and connectivity

- Composition Colour DAB+ radio system with 6.5 inch touch-screen and eight loudspeakers, SD card slot, Bluetooth® hands-free and two USB interfaces (type-C) in dashboard
- Two 12V sockets in the dashboard
- Volkswagen App-Connect **NEW**

Passenger compartment

- LED lighting
- Plastic floor covering
- Side step illumination with 'California' lettering
- Sliding door on the right in passenger compartment
- Special sound deadening measures in cab and passenger compartment
- Two-seater bench/bed, movable along rail system and folds down into a two-person bed

Air conditioning and glass

- Air conditioning system in cab including electronic control and heating system with ventilation in headlining for the passenger compartment
- Sliding window above kitchenette and fixed window in rear passenger compartment, left
- Fresh air intake system with combination filter
- Heat-insulating glass (green)
- Rear window, heated with wiper and washer system
- Fixed window in sliding door and fixed window in rear passenger compartment, right

Driver assistance and safety systems

- Adaptive Cruise Control (ACC) with speed limiter including Front Assist with City Emergency Braking System¹ **NEW**
- Anti-theft alarm system with interior monitoring in cab, back up horn and towing protection
- Auto-dimming breakaway interior rear-view mirror
- Automatic headlight activation with separate daytime running lights, leaving home and manual coming home function
- Central locking system with two remote control keys, system controls inside and SAFELOCK
- ISOFIX and top tether for rear seats
- Crosswind Assist¹ **NEW**
- Driver Alert System
- Driver and front passenger airbags with front passenger's airbag deactivation button
- eCall emergency system **NEW**
- Electric childproof lock **NEW**

Driver assistance and safety systems (continued)

- Electronic Stabilisation Programme (ESP), Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Start Assist
- First aid kit and warning triangle
- Side and curtain airbags for driver and front passenger
- Parking sensors, front and rear **NEW**
- Single-tone horn
- Start-stop system with regenerative braking
- Three-point seat belts for all seats, height-adjustable with electric pre-tensioners on seats in cab
- Tyre pressure loss indicator¹
- Seat belt warning for the driver's seat
- Washer fluid level indicator
- Windshield wiper intermittent control with rain sensor for windshield wipers
- 16 inch brake system

Camping equipment

- Bed extension for rear bench seat
- Camping table for inside/outside use (in sliding door) and two folding chairs (in tailgate)
- Camper control unit with touch screen which operates and/or displays battery charge level, battery capacity, external temperature, fresh and waste water levels, alarm clock, parking heater, interior lights and cool box temperature **NEW**
- Gas hob with two burners
- Gas tank storage in bottom of rear wardrobe for 2.8kg gas cylinder² with gas pressure regulator and shut-off valve
- Kitchen cupboards in Bright Oak wood-effect **NEW**
- Loft bed (approximately 2,000 x 1,200mm) with comfortable sprung base, mattress and child safety net **NEW**
- Programmable air parking heater, with radio remote control and additional auxiliary pre-heater
- Pull-out awning with housing and rail in Black

Camping equipment (continued)

- Stainless steel sink with adjustable tap and removable washing-up bowl
- Two additional AGM leisure batteries, maintenance-free (one battery with cut-off relay)
- 230V inverter with socket on driver's seat
- 230V external inlet with charging feature for vehicle batteries and internal 230V outlet on the side of the kitchen unit
- Waeco compressor cool box with removable basket (approximately 42 litres)
- Wardrobe in rear with hanging rail and mirror
- Waste water storage tank (approximately 30 litres) with lockable external filler cap and electric pump

1 Within the system's thresholdst. 2 Please note, the gas cylinder is not supplied with the vehicle.

The destination in sight. A journey into the digital world.

Cars are getting smarter. The California 6.1 is already equipped with many digital technologies that make driving and camping more comfortable. For example, the high-resolution Digital Cockpit¹ with navigation map. Or the new Camper control unit, which controls all the important camper functions. Or Volkswagen We Connect²: multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

¹ Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Coast. ² To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Audio & communications

01 Composition Colour DAB+ radio system. Fitted as standard, the Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four x 20 watt output with eight speakers. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect¹ and We Connect Plus^{1,2}.

02 Discover Media DAB+ navigation system. The Discover Media navigation system features an 8 inch colour touch-screen with proximity sensor. The system includes a 32GB media storage, natural voice control, integrated eSIM, free map updates via the internet and mobile online services with Volkswagen We Connect Plus^{1,2} and wireless³ App-Connect. Standard on California 6.1 Ocean models and optional on California 6.1 Coast models.

03 Discover Pro DAB+ navigation system. The optional Discover Pro navigation touch-screen navigation/DVD infotainment system provides navigation and radio functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions, such as changing radio stations, with a simple swiping movement of the hand. It also comes with 3-years' We Connect Plus^{1,2} and provides online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on all models.

¹ To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. ² Free of charge for the first year when you order Composition Colour or Discover Media navigation system. Free of charge for three years when you order Discover Pro navigation system. There is an extra charge in the event of renewal once the free period has expired. ³ Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

Second navigation map in high-resolution 3D display¹.

Digital Cockpit²

You can now experience digital progress up close in the California 6.1. State-of-the-art infotainment systems with large storage capacity and the Digital Cockpit² offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense colours as well as its bright and extremely high-contrast image. The Digital Cockpit² is operated via the touch-screen display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist of your holiday soundtrack or set the safety distance of the Adaptive Cruise Control (ACC)³. Even more possibilities arise when the Digital Cockpit² is combined with the 9.2 inch Discover Pro navigation system⁴. A large second navigation map can then be positioned on the Digital Cockpit².

Playlist from smartphone.

Traffic Sign Recognition^{3,4}.

Overview of driving data.

1 Only available in conjunction with the Digital cockpit and Discover Pro navigation system. 2 Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Coast. 3 Within the system's thresholds. 4 Optional at extra cost.

Control of the electro-hydraulic elevating roof¹.

Control of energy and fresh water supply.

Display of vehicle inclination.

We Connect² and We Connect Plus^{2,3}

From service to infotainment.

With the Camper control unit, you now have a digital central unit at your disposal that allows you to conveniently control numerous functions of the California 6.1. The menu items are selected intuitively via the touch-screen. The installed electrical consumers can then be put into operation via the rotary knob. You can even start some on-board systems from your smartphone. Simply download the We Connect app to your mobile phone, subscribe to We Connect Plus^{2,3} and connect to your vehicle.

¹ Standard on the California 6.1 Ocean and not available on the California 6.1 Coast. ² To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. ³ Free of charge for the first year when you order Composition Colour or Discover Media navigation system. We Connect¹ and We Connect Plus^{1,2}

With Volkswagen We Connect¹ driving a vehicle will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the California 6.1 – conveniently via your smartphone. The heart of the system is the We Connect¹ App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect¹ package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus^{1,2} package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect Plus^{1,2}: Online Map Update

Wireless⁶ App-Connect

¹ To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. ² Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. ³ Available from mid 2020. ⁴ Only available in conjunction with the optional Discover Pro navigation system and Streaming & Internet package. ⁵ The Lock & Unlock service is a security feature and requires a prior identity check by means of the Volkswagen ID procedure. This involves your identity being checked by a Volkswagen dealer or via video chat. ⁶ Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

Finance made simple

As dedicated to finance as we are to your new California 6.1

Learn more about our range of finance products to find a finance package that suits your budget. Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard, including our 3 Year Fixed Price commitment.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Drive Away Insurance

Every new and used Volkswagen comes with five days' complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase.

Subject to eligibility. Five days' Drive Away Insurance cannot be used in conjunction with any other insurance offer.

Annual insurance with a 3 Year Fixed Price commitment

Comprehensive insurance to offer you maximum convenience with minimum hassle – just as you'd expect.

Because we value your loyalty, you can benefit from the Volkswagen 3 Year Fixed Price commitment, so you can relax, knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do.

Cover runs for twelve months at a time and you'll receive a renewal notice confirming your fixed price for the following year. With Volkswagen Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews.

Enjoy peace-of-mind and complete convenience and relax in the knowledge you have a policy tailored specifically for your Volkswagen.

With Volkswagen Car Insurance, you can enjoy the following benefits as standard:

- 3 Year Fixed Price commitment
- Volkswagen Approved Repairs carried out by Volkswagen Approved Technicians using only Volkswagen Genuine Parts® and paints (excludes windscreen claims)
- Guaranteed courtesy car whilst yours is in for repair
- Windscreen cover
- Uninsured driver promise (providing we have the car registration, make, model and driver details)
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

How Volkswagen 3 Year Fixed Price Car Insurance works

When you take out Volkswagen Car Insurance, your premium will be fixed for two consecutive renewals, providing you choose to renew cover annually.

The price will only change if one or more of the following happens:

- if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims) after your policy has started
- if you make an amendment to your policy, such as changing your car or address, the revised premium will be fixed for the remaining renewal periods
- if the price of optional additional products and/or Insurance Premium Tax changes.

For more information or to get a quote, call us on: **0345 877 6464**

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Alternatively, visit: www.insurewithvolkswagen.co.uk

Volkswagen Commercial Vehicle GAP Insurance.⁴

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: www.insurewithvvcv.co.uk/gap-insurance

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Fixed price servicing.⁶

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget⁷.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your California, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your California is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your California's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.
